

**HB 2804 [A-F] Updates                      Friday, January 13**

How well do you understand TEA's January 6, 2017 public release showing the ratings that each district and campus would have received using the HB 2804 criteria for Domains I-IV? This is if the A-F rating system had been in place using 2015-2016 data. We will review the latest information shared by TEA, including the released set of indicators and analysis, and what that looks like for your school(s). (\$25 fee)

**RtI Accountability                      Thursday, June 29**

Response to Intervention plays such an important role in the accountability of our students. We have to ensure growth is occurring for each student in order to establish success. A student "passing" is just not enough. To focus planning and instruction, an understanding of the state's levels, indexes and progress identities must be attained. Join this session to receive up-to-date information on the state's accountability measures and how to plan instruction for effective interventions. (\$40 fee)
